May Studies

During the month of May, we will continue studying gardens and will move on to kindergarten readiness. If your child is not moving on to kindergarten yet, they will still be studying about it, which will help them be super ready for kindergarten in 2025.

The BIG Questions for May....

- Do you have a garden at home?
- How do you take care of a garden?
- Where do you put seeds in a garden?
- Can a plant drink milk?
- How old are you when you go to kindergarten?
- Do you use your listening ears in kindergarten?
- Will you walk, ride a bus or go in a car to kindergarten?
- Will you meet more friends in kindergarten?
- Do you get to play outside in kindergarten?
- Will your preschool teachers miss you? (YES)
